

Five Star

Five Star, the only fast, efficient, fully comprehensive language skills assessment test. Ideal for all businesses which want an accurate, effective assessment of employees' overall proficiency level in a given language.

Five Star assesses all the skills defined by the CEFR*

A thorough assessment of oral and written skills (production and comprehension). The whole process takes place quickly online: results are available within 48 hours.

What makes this test so effective is the combination of direct interaction with native speakers and rigorous assessment against competencies tailored to professional requirements.

Five Star, 1 comprehensive test, 5 competencies

What is it?

- 1 online Bright test (approximately 40 minutes)
- 1 writing skills test (30 minutes)
- 1 spoken communication test (20 minutes on the telephone/skype with an expert)
- 5 languages tested: French, English, German, Spanish, and Italian

Ideal for:

The fastest, most comprehensive and reliable test of written and spoken proficiency, notably for roles requiring accurate daily use of one of the 5 languages on offer (telephone conversations, meetings, lectures, articles, reports, presentations, negotiations, etc.).

We guarantee:

- Results can be viewed on the administrator account
- Unbeatable prices for a premium quality assessment
